

Tiny Sandman's Lawn, Snow and Painting Services

Mission Statement

Hello everyone,

My name is Michael C. Anderson and I am the owner of Tiny Sandman's Lawn, Snow and Painting Services. I would like to take a moment to introduce myself to you and provide you with an explanation on why I decided to start my own business.

I was born and raised in South Minneapolis where I graduated from Roosevelt High School. In the late 1980's I was accepted into the Pre-Med program at the U of M. Later, deciding that my interest was somewhere else, I took some time off. It was then that I began to develop my skills. In 2000, I re-enrolled into MCTC and was able to play on the golf team.

After several years of working with my uncle who has his own business laying concrete and various other seasonal jobs, I realized that I truly received great satisfaction in seeing the ending product of work that I had completed. It was after thorough research and commitment that I decided to start my business.

Currently, I have a great passion for my family, golf and work. If I could take one thing out of my entire experience, it would be the satisfaction that I get when I establish a relationship with a customer who really loves the services that I've provided. I am a hard worker and dedicated to building a respectful and long-lasting relationship with my customers.

Thank you for the opportunity to provide you with this information. If you are interested in having a free estimate, please do not hesitate to contact me at your convenience for the services that I provide.
